

# Wisconsin Wind Energy Seminar

Jan. 28<sup>th</sup>, 2010 1:00 to 5:00 p.m. (Happy Hour 5:00 to 7:00 p.m.)

The Cannery Grill, 315 E. Linnerud Dr. Downtown Sun Prairie, Wisconsin

## Agenda

### Opening Remarks

Zach Brandon, Wisconsin Dept. of Commerce

### National Trends in Wind Energy and Supply Chain

Jeff Anthony, American Wind Energy Association

### Wind Energy Trends in Wisconsin

Michael Vickerman, RENEW Wisconsin

### Wind Turbines 101 – Intro to Components of a Wind Farm

Mitch Bradt, P.E., University of Wisconsin

### Local Strategic Partnerships with Turbine Manufacturers, Developers, and Utilities (Panel)

### Local University Programs Supporting the Wind Energy Industry (Panel)

Join us for an afternoon of discussing the future of wind energy, and how southern Wisconsin is making its mark as both a supply chain resource and an area for wind power generation. **Networking "Happy Hour" to follow.**

### Cost & Registration

No cost if pre-registered by Jan. 25th; \$20 after Jan. 25th or day of event.

To register, contact Neil Stechschulte at (608) 825-0894 or [nstechschulte@cityofsunprairie.com](mailto:nstechschulte@cityofsunprairie.com)
